2½-Yr. Old Needs Blood Donors To Fight Rare Disease—Hemophilia

Two and-a-half year old, Charles (Chuck) Rimes has hemophilia.

His mother, Mrs. Bonnie Olden, has the care of four other children age 14, 11, 8, and 10 months, with a small weekly check from her first husband (Chuck's father) a small monthly check from the State Welfare, and her income as a waitress at the Dixiana Restaurant.

The three oldest are in school.

Mrs. Olden reports that research with members of her family up to and including an Aunt, nearing 90

years of age discloses no previous evidence of the disease in the family.

Chuck has experienced treatment by doctors and hospitals over most of his life, the latest serious one in Jackson Memorial Hospital with the National Hemophilia Foundation's Clinic assisting.

In one seige he received some 22 injections of blood within a five day period.

Since his last stay in the Hospital, his mother has received a request to replace 33 pints of blood which Chuck had. The blood is

used from a Blood Bank under an agreement to replace it by someone.

Chuck is appealing to Glades folk who are willing to donate blood for Chuck.

Due to the fact that arrangements have not been completed for taking the blood, properly storing it and receiving credit at the Hemophilia Foundation Clinic at Jackson Memorial, his mother will be made in next week's issue of THE HERALD as to the date, time and place where donors may report.

Dr. D. A. Fliha, W. W. Mikell, Robt. Bussey, Charles Royal, Robert E. Mathews, Johnny Schlechter, Benny Richmond and Ercei Mixson.

Baker, Matthews And C Fill Top Posts Of C of Royal

Dr. Thos. P. Baker, a Belle Glade Chiropractic Practitioner and a previous worker in the Chamber of Commerce, was elected by the Board of Directors as President, to succeed J. D. (Pete) McClelland, who has gone to a promotion with his company, Southern Bell, as District Marketing Manager in Jacksonville.

Judge Robert E. Mathews was elected 1st Vice-Pres-

ident, and Chas. Royal, as 2nd Vice-President.

C. F. Crichfield, Dr. D. A. Fliha, and W. W. Mikell were elected to the Board of Directors. Other Directors are: Johnny Schlechter, Benny Richmond, Ercei Mixson, Robt. Bussey and Warren Seale.

The Board unanimously put its stamp of approval on the \$300 Million Road Bond Issue, and set about

devising ways and means of promoting the "get-out-the-vote" efforts described by Henry Earwood as being the objective of the Canal Hazard Committee.

The Chamber Directors also heard Stephen McKenna representing the B-C Motor Lines Transportation Co., who asked support for a request for permit to serve Belle Glade and the Glades with an additional transportation company.

Club To Honor Past Presidents

A covered dish luncheon using a "lulu" theme will honor past presidents of the Women's Club of Belle Glade today at 12 p. m. at the Civic Center.

Meets Nov. 7

The annual state convention of the Florida Farm Bureau Federation will be held in Clearwater, November 7, 8, and 9 with headquarters in the Jack Tar Hotel.

National Fire Prevention Week, October 3-9 was begun with a bang in Belle Glade, with Ag students of Belle Glade Hi and nurses and employees of the hospital having experts demonstrate the use of fire prevention, control, and evacuation of patients from a burning dormitory or hospital.

Prof. Sam Lovell, Ag Teacher, working through Carl E. Waggoner, Service Agent for Fla. Farm Bureau Insurance Companies, secured the services of two fire prevention experts to give a class to his Ag students on Thursday morning at the school.

Mobile X-Ray Here Tues.

Announcement is made that the Mobile X-ray Unit will visit Belle Glade Tuesday, October 12th at the Health Center.

The Unit will be open for clients from 9 'til 12 noon and from 1 to 4:30.

The following day the Unit will be at the Bank of Pahokee in Pahokee.

Swimming Pools To Close

The City announces that after Saturday, October 9th both Belle Glade swimming pools will close to the general public.

The pools will be open all day Saturday, the last day for public swimming.

The pools are used during school in cooperation with the physical ed classes.

Two Fire Schools Initiate Prevention Week

Administrator E. F. Saunders of the Glades General Hospital brought Lieut Robt McGrath, a Fire Safety Specialist for an all-day session with nurses and employees of the hospital, firemen and other interested persons at the Civic Center, the same day.

Mr. George Cappe, Director of Safety and Engineering for the Farm Bureau was assisted by George Page an Insurance Special Representative, in lecturing and demonstrating to the Ag boys on portable fire extinguishers, the proper kind for the several classes of fires, their operation.

"It is estimated," said Mr. Cappe, "that each year,

one out of four fires are extinguished with portable extinguishers."

The three classes of fire spoken of are: Class A—wood, paper, trash and ordinary combustible materials; Class B—flammable liquids such as gasoline, thinner, grease, oil; Class C—electrical equipment, wiring systems, etc. The use of the proper equipment for each class of fire as well as its maintenance and servicing was a part of the instruction.

"A large percentage of fires in the home start in the kitchen" the instructors say, and it was pointed out that in rural areas, the portable extinguisher is the

Canal Hazard Group Endorse Road Bonds

VOTE For 4-Lanes — FACTS

"America lives on wheels; Florida dies without them; the Glades suffers from mal-nutrition of road funds."

Politicians in the past have PROMISED, to "try to do something" about State Road No. 80's four-laning. No one has ventured even a promise about US No. 27 south from South Bay, before.

This \$300 Million bond issue spells out in detail these two roads as a part of the project; no one may alter these specified works, if the issue is passed.

The selling of the bonds DOES NOT INCREASE TAXES; the state is mortgaging a bit over one third (37.5%) of a specific income — and that may not be changed by legislative act — for twenty years to get the money with which to build and/or convert 1241.1 miles of two-lane roads into four lanes.

Only 2/3 of 1c of the four cents primary gasoline tax is necessary to finance the \$300 million program; \$40 million annually will still be provided for a continuation of primary road construction.

Four of five of the 15 million visitors to Florida last year came by auto.

Alabama, Georgia, North and South Carolina, Tennessee and West Virginia have already approved bond issues to modernize highways for the use of Florida visitors passing through their states.

Florida's motorists have increased use of roads 35% since 1959 and a majority of this on primary roads.

43% of Florida's primary highways are classified as poor or critical.

Of the 474 Americans who died last Memorial Day weekend, 461 died on two-lane roads.

In ten years (since '55) right-of-way costs have increased 100% in cities, and 50 percent in rural Florida; how much in the next ten years?

The State Road Department reports specifically that 421.94 miles of roads have "adequate right-of-way available for four-laning." There is listed State Road No. 80 from Six-Mile Bend to Twenty-Mile Bend — Mile Post 10.72 (6 mile bend) to Mile Post 23.45 (20 mile bend), 12.6 miles.

On State Road No. 80 — now 2 lane to be 4-laned — increase of deaths in '64 over '63, 400%; persons injured 360%; all accidents 147% and head-on deaths increased by 25 percent.

The public is invited to attend and participate.

The Glades Canal Hazard Committee has unanimously endorsed the proposed \$300 Million Road Bond issue, with the specific acknowledgment that four-laning Fla. No. 80 and US No. 27 will reduce major hazard such as side-swipes, head-on collisions, and shoulder menace.

The Pahokee Chamber of Commerce followed suit in the endorsement of the bond issue; the Belle Glade Chamber Tuesday night did the same thing.

All communities around the south and eastern side of the Lake are being asked to officially take the same action by City Commissions and civic groups.

A campaign of distribution of bumper stickers, window signs and pamphlets of full information on the issue, is being organized.

Speakers to appear before clubs and groups are being prepared to give full information on the proposal and its effect on the Glades.

Face-Lift Reports

The Chamber of Commerce Beautification Committee heard reports from the four area sub-committees with lists of proposed operations at its regular meeting Thursday evening at the Chamber of Commerce.

A called meeting for October 14th, Thursday is expected to materialize definite plans of procedure.

Some special projects will be announced, it is anticipated.

The public is invited to attend and participate.

Billy Rogers Elected FF&VA Dist. Director

Billy Rogers of South Bay has been elected district director of District 3 of the Florida Fruit and Vegetable Association.

Ray R. Roth of Belle Glade has been re-elected vice chairman of the leaf and radish committee of the association for the 1965-66 year.

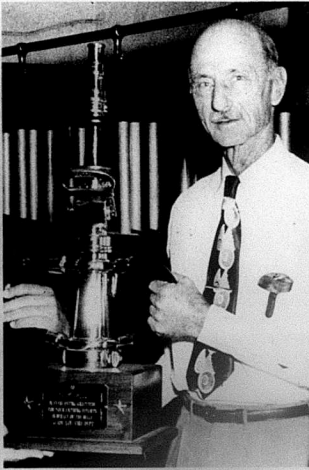

Purpose of FFVA which was formed in 1943 is to unite efforts of producers, shippers, packers, and processors of Florida agricultural commodities in negotiations with public and private agencies.

Members of the Ag Class of Belle Glade Hi are (1 to r): Robert Kingman, Ronnie Williams, Mike Coper, Elias Ramon, John Hyslop, Paul Prescott, J. C. Cook, Billy Blackwell, Jack Waters, Mike Miller, Richard Kelly, Paul Bailey, Ronnie Brown, David Shultz, Steve Nelson, Archie Kirckman, Jimmy Sullivan, Ben Edwards, Dale Strickland, David Jones, Gus Roberts, David Johns.

BG's First Fire Chief

Lawrence E. Will

Citizen - Historian - Benefactor

Lawrence E. Will is first a Citizen — and one of the FIRST Citizens of the Glades, for he came here and STAYED, when it took faith, backed by intestinal fortitude, to remain a Citizen of the Glades, back around 1912.

Lawrence was active in the formation of Belle Glade's first fire department, and as Chief, until his retirement a few years ago, gave to the job of Chief of the Fire Department that same studious time and energy typical of his writings of the early Glades. He found out what made fire departments tick, and tick to the benefit of the public they serve.

Taking his own research and schooling at regular fire schools, he moulded volunteers into workable fire fighters, and urged them to also visit regular schools, even to sacrificing their vacation time.

When a paid 24-hour-per-day fireman was employed and the insurance premiums, powered, Lawrence earned another star, when three eight-hour-shifts of firemen were installed and further consideration given Belle Glade fire insurance rates, Lawrence's recommendations were the impetus.

Today's Belle Glade Fire Department is equipped with men and machines following Mr. Will's recommendations of years ago.

Lawrence was a wearer of three hats at one time; His Chief's hat; one for the Bus Station Director, Agent baggage smasher and ticket collector; and in between

times, his hat as owner and operator of the Pioneer Motor Sales.

Mr. Will has researched, collated other facts and set down his own personal experiences in the early history of the Glades; he has written numerous articles for local papers, and magazines.

He is a popular speaker at historical society meetings, and society gatherings of whatever sort, and with clubs and groups in South Florida, as a narrator of facts and fancies of early pioneers in the area around Lake Okechobee.

Mr. Will reared his family here — a son and a daughter; he is a Legionnaire with a record of service as Commander and numerous other activities when the Legion was THE organization of the Community.

Such a mould and matter is the Ordinary Citizen made of; such a Citizen has made this America what it is today; and such a character — in bunches — will steady the leaky boat of political expediency that is leading our Country to Who knows Where.

We salute Lawrence E. Will — CHIEF of the Fire Department of Belle Glade for a third of a century; a CHIEF in whatever undertaking he busies himself.

The Sine of America that WAS, and WILL BE AGAIN, some day.

LETTERS TO THE EDITOR

Dear Luther:

I knew of you and your persistent "sell-the-Glades" to the public campaign long before I even knew where Belle Glade was located—and my parents had lived in the Orlando area since 1937.

In fact, about 1946 or '47 I happened to run into an old friend who'd been working on the late Old Man Hearst's Chicago (Ill.) Herald-American "rim" when I was there on the rewrite battery.

This man, because of his strong sense of "circulation-getting" had been confined into a three-year contract in Jacksonville on a daily there. Hearing he was there, I stepped off to "cut up a few old touches" with him — couldn't get a word in edge-wise!

He'd just been to a Rotary Club meeting of some where and he was literally bubbling over with what sounded then (until I'd heard you myself a little later) like an exaggerated opinion or your "vocal sales sense."

And remember, if you will, Luther, old Chicago ex-Hearst men were considered almost a breed apart when it came to making any impression on their sur-

feited cynicism.

Then in the middle 1950s — because my late kid brother, Ralph B. Ford then had his own and-blasting outfit over in West Palm Beach — I wound up working on the Post-Times as a staff roving featureman-

photographer and was out your way plenty. You were still going strong then as the "Glades best traveling salesman" through out the entire state — and doing one helluva job!

I suppose you, like myself, have gotten slowed down by the gradually accumulating years, yet:

I personally think its one helluva lousy thing, to let all that good "selling" of years go down the drain no that the whole area is really stalling to benefit from it.

What I'm referring to is this: Recently while Hurricane Betsy was playing around (and before she got headed in) I was through Belle Glade enroute to Ft. Lauderdale via Trailways Bus.

That entire two-thirds of a bus load of passengers (witness name and address list attached) talked of nothing the rest of the way into Ft. Lauderdale except the "lousy high prices charged there at the new Trailway bus station . . . 35c for a large Coke; 30c for a lousy hot dog etc."

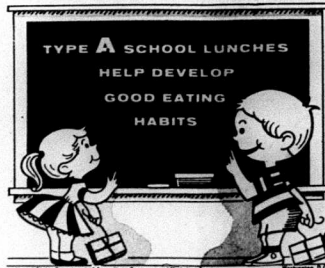

Enroute back I tried to call you so you might enlighten this dope on the advantages of "volume selling" with less profit. Could I get a hold of you so that's why I'm writing this letter.

This guy — in 20 minutes — is tearing down a state-wide "good feeling" you've spent years building up.

Just thought I'd call it to your attention. With sincere best wishes to yourself, your family, your staff . . . in fact, all Belle Glade except this Trailways bus station lunch counter operator.

Best regards,

Pat Ford

NATIONAL SCHOOL LUNCH WEEK OCTOBER 10-16. In the current school year about 18 million children will be served nutritious noonday meals under the National School Lunch Program. It is administered by the U.S. Department of Agriculture's Consumer and Marketing Service, which provides about a fifth of the total cost in cash and food. This program makes it possible for children to enjoy a complete lunch for an average payment of only 27 cents. A tenth of the nearly 3 billion lunches consumed last year were served free or at reduced prices to youngsters who could not afford the full price. About 71,000 public and non-profit private schools are expected to take part in the program this year.

Yours truly,
Uncle Dan

JUST WHAT THE UNION BOSSES ORDERED

"Whatsoever thou shalt ask of me, I will give it thee."

"And the king was exceedingly merry; yet for his oath's sake, and for their sakes which sat with him, he would not reject her."

Dead As The Dodo

When the House approved repeal of section 14(b) of the Taft-Hartley Act — the section which permits states, if they so choose, to pass Right-to-Work laws under which a man can join or not join a union, as he alone decides, without being deprived of his job — it looked as if it were all over but the shouting. There seemed to be ample votes in the Senate to complete the repeal legislation this session.

But in politics, as in other human affairs, the unexpected sometimes happens. And that may be the case with 14 (b). As Robert S. Allen vividly puts it "Barring some sleight-of-hand wizardry, that measure, annulling state right-to-work laws, is dead as a dodo."

Some political strategists have played a part in bringing about this unlooked-for development. But the

big thing is a feeling, on the part of a substantial number of influential Senators, that the Right-to-Work is an absolute basic right. Senator Thurmond expressed that view in these words: "There is no more fundamental issue than an individual's right to work; to get and hold a job without having to pay tribute. This is an issue that transcends party, sectional, personal and all other lines."

In any event, repeal of 14(b) may be dead for this session. It will, if that is the case, be back again next year. Then the weight of public opinion — which, the polls have shown, is strongly in favor of the existing law — may cause Congress to again affirm a right which is vital to individual freedom.

Other Editors Say

SKNOWHEGAN, ME., SOMERSET REPORTER: "The world of tomorrow should be quite a place to live in. With the President's signing of the Medicare Bill another social benefit has been gained. Now we have unemployment benefits, social security benefits, poverty benefits and Medicare benefits. If we can get benefits for child birth and death we should have it made. The only question that arises in my mind is who is going to foot the bills when everyone is enjoying a vacation holiday. Anyway, the Utopia we dreamed about yesterday is here today."

POMONA, CALIF., PROGRESS-BULLETIN: "The Ohio State Medical Association is slamming a directive from the Department of Health, Education and Welfare requiring doctors to sign a pledge that they will comply with the Civil Rights Act of 1964 and not practice

discrimination among welfare patients. Such a requirement, complains the association, is making 'second class citizens' of Ohio physicians, about 4,900 of whom have signed the oath and are now having second thoughts. . . . The self-imposed ethics of the medical profession apparently carry little weight with the bureaucrats."

SELMA, ALA., TIMES-JOURNAL: "In any analysis of juvenile delinquency, children of Oriental descent have always been conspicuous by their absence from the statistics. . . . Unfortunately, there are indications this may no longer be true. Police in Sacramento, Calif. for instance, report increasing involvement of Chinese and Japanese youths in such things as thievery and knifings. . . . such hitherto unheard of incidents have caused much soul-searching among the second-generation Japanese, the Nisei. 'Somewhere along the way we feel we are failing,' said one elder. Offered a captain of the Sacramento Police Juvenile Bureau: 'I imagine it's because the kids are becoming Americanized!'"

What kind of society are we building where a police officer can matter-of-factly consider 'Americanized' and 'criminalized' as being virtually synonymous?"

Glenn Wolf Commended For NMSQT Score

One student at Belle Glade High School has been honored with a letter of Commendation for his high performance on the National Merit Scholarship Qualifying Test (NMSQT) given last spring. He is among 38,000 students across the

nation recognized for scoring in the top two percent of students who will complete high school in 1968. The Commended students rank just below the 14,000 Semifinalists announced last month.

Pellon Morris, the school's principal, has announced that the Commended student is Glenn Wolf.

John M. Stalnaker, president of the National Merit Scholarship Corporation said: "These students are being recognized for their outstanding performance on the qualifying test. Theirs is a notable academic achievement."

"In a rigorous competition like the Merit Program, it is unavoidable that many fine students will miss being Semifinalists by a narrow margin. Nevertheless, the student in this situation is very capable and deserves generous recognition for his distinguished effort."

The Commended students have considerable ability, which should be developed through further education. They deserve every encouragement, and their promise is great. They represent an important intellectual resource which our nation needs."

Only the highest-scoring students in each state, the Semifinalists, remain eligible for further consideration in the competition for Merit Scholarships. Although students receiving Letters of Commendation advance no further in the Merit Program, their names are reported to other scholarship-granting agencies and to the colleges they named at the time they took the NMSQT as their first and second choices. NMSQT also reports home addresses, test scores, anticipated college majors and career intentions of the Commended students to the same colleges.

A third degree burn, involving the entire thickness of the skin, always calls for medical, and usually surgical, care. Since shock is invariably present, the victim should be kept lying down, kept warm, and given fluids while awaiting professional treatment. A sedative, such as aspirin or a sleeping pill, may be given.

Better than all treatments your Christmas Seal association suggests: Prevent fires and burns; observe Fire Prevention Week, October 3rd to 8th.

Gators 4-H Club Elects New Officers

The Belle Glade Gators 4-H Club had their first meeting of this year, at the home of Mrs. Don Sellers, leader.

New officers were elected as follows: Terry Priest, President; Debbie Sellers, Vice-President and Song Leader; Renee Vaughn, Secretary and Reporter; Carol Priest, Treasurer and Recreation leader.

During the past summer Mrs. Sellers, 4-H leader helped some of the members to get enrolled at the Singer Sewing Center in a sewing course. Mrs. Sellers also managed transportation for the girls to get back and forth to this course. The course was conducted in Palm Beach every Saturday for 10 weeks. The girls appreciate the interest of Mrs. Sellers making it possible for them to take the course.

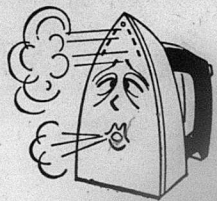

The Club observed national 4-H Week. The purposes of National 4-H Week are: 1. To influence more young people to join or form 4-H Clubs.

2. To acquaint more parents with 4-H and seek their cooperation.

3. To encourage a larger number of capable men and women to become volunteer 4-H leaders.

4. To increase public understanding of 4-H aims & methods and expand support for activities throughout the year.

5. To recognize the important part played by friends of 4-H locally and nationally and express appreciation to them. Reporter, Renee Vaughn.

MR. AND MRS. WAYNE S. MOCK

Couple Wed In Ft. Pierce

Miss Teresa Ann Guettler became the bride of Wayne S. Mock in a double ring ceremony performed by the Rev. John Delaney at the St. Anastasia Catholic Church, Ft. Pierce Saturday morning, Sept. 18.

The bride is the daughter of Mr. and Mrs. V. G. Guettler of Delaware Extension, Ft. Pierce. She is a graduate of St. Anastasia High School.

The bride groom is the son of Mr. and Mrs. Ralph Mock, S. E. Sixth St., Belle Glade. He is a graduate of Belle Glade High School and attended East Tennessee State College. He is presently employed by Sugar Cane Growers Coop. of Belle Glade.

Baskets of white chrysanthemums banked with palms was the setting for the marriage. Mrs. Alan Winstown, organist played music during the Nuptial Mass.

The bride escorted by her father, wore a gown of pure silk organza adorned with motifs of Alenon lace, accented with sequins and seed pearls at the Sabrina neckline and on the appliques on the bodice. Garland of the same lace swept the front and side panels of the bouffant skirt, and the sheer organza sleeves extended from a lace band. A princess panel divided the shirred pouffe which cascaded into a chapel train.

A silk rose with pearl raindrops held her illusion veiling trimmed with scalloped lace. She carried a bouquet of white carnations and ivy.

Miss Margaret Guettler of Miami, the bride's twin sister, was maid of honor in a pale green organza gown fashioned with tiered skirt and fitted bodice. A matching rose held her shoulder length veil in place and her flowers were yellow carnations, clustered with net and green ribbons.

Two other sisters, Miss Kathleen Guettler of Miami and Miss Dolores Guettler of Fort Pierce also attended the sister. They wore gowns identical to the honor attendant in shades of yellow and coral and carried bouquets of Yellow

carnations with ribbons to match.

Ronald A. Cameron of Miami, formerly of Belle Glade was best man. Ushers were Richard Shackford of Pahokee and Homer Lantham of South Bay.

The bridegroom's mother, Mrs. Mock chose a rose silk organza gown for her son's wedding, which she complemented with white accessories and an orchid corsage. The mother of the bride wore a blue silk organza gown with harmonizing accessories and an orchid corsage.

Following the reception held at the St. Lucie Holiday Hall, the couple left on a wedding trip around the state, and are now making their home in Belle Glade.

Among out of town guests attending were Mr. and Mrs. Earl Armstrong, Mr. and Mrs. Elgie Johnson, Mr. and Mrs. Ken Sands, Mrs. Mary Ann Miller, Mrs. Carolyn Miller, Mr. and Mrs. Ralph Mock, Mr. and Mrs. Vance Broome, Jr., all of Belle Glade; Hunter Lantham, Richard Shackford and Mrs. Judy Dermody of Pahokee; Mr. and Mrs. R. A. Cameron, Mr. and Mrs. Edw. Guettler and family, Miami; Mr. and Mrs. Homer Lantham, South Bay; Mr. and Mrs. Gerald Guettler and family, St. Petersburg; Mr. and Mrs. Robert Geary, Vero Beach.

Saturday Vows Unite Couple

Miss Ida Florence Mock and John Henry Little exchanged wedding vows in a candlelight ceremony Oct. 2 at the First Baptist Church of Pahokee, Pahokee, Fla. The Rev. Guthrie Colvard performed the double ring ceremony. The church chancel was banked with palms and the altar was flanked by baskets of white mums and roses and candles.

The bride is the daughter

of Mrs. Rosebud Mock and the late Raymond Mock, 156 N. W. 10th St., Belle Glade. She graduated from Belle Glade High School in 1965 and is currently employed by Hendry Tractor Company, Belle Glade.

The bridegroom is also a graduate of Belle Glade High School in 1959 and is employed by Eli Witt Tobacco Company, Belle Glade. He is the son of Mr. and Mrs. George Little, 616 S. W. 16th St., Belle Glade.

Given in marriage by a family friend, Mr. O. L. Motes, the bride wore a floor length gown of Quaintly lace over taffeta, payed with a sabbina neckline, wrist point sleeves and a four tiered skirt extending into a chapel train, trimmed in tiny bows. Her veil of French illusion fell from an organza rose encased in lace and pearls. She carried a bouquet of white roses centered with a white orchid and satin bow.

Miss Linda Motes was maid of honor in a floor length blue silk organza over taffeta gown with a scooped neckline and skirt banded with lace. She wore a matching headpiece and veil and her flowers were blue roses with satin ribbon.

Debbie Jones niece of the bride and Gail Usher, niece of the bridegroom were flower girls. They wore powder blue dresses of lace matching the bride's and carried baskets of rose petals. Their blue veils matched the hat of the maid of honor.

Danny McCartin was best man. Ushers were Neal Mayo and Richard Hender-

MR. AND MRS. JOHN H. LITTLE

with a low bowl of blue and white mums and candles. The three tiered wedding cake with light blue and white decorations was topped with a miniature bride and groom. The punch bowl was decorated with mums and fern at the base.

Out of town guests were present from Miami and South Bay. For traveling the bride wore a three piece green suit with green accessories and a white orchid. Following a wedding trip to points of interest in Central and Northern Florida, the couple will be at home in Belle Glade at 1117 N. W. 16th St.

Daniels-Norris Vows Repeated

Miss Nancy Ellen Daniels became the bride of Carl Arthur Norris in a double ring ceremony at the Community Church, Clewiston on Sept. 26.

The 3 p. m. ceremony was performed by the Rev. Henry Horrell Ford, minister. The bride is the daughter of Mr. and Mrs. O. C. Prescott, 187 N. E. 4th St., Belle Glade. She is a graduate of Belle Glade High School in 1965 and is employed as stenographer by Everglades Federal Savings and Loan Association Belle Glade.

The bridegroom is the son of Mr. and Mrs. J. W. Norris, 575 S. E. 6th Drive. He

is a 1961 graduate of Belle Glade High School and graduated from Palm Beach Junior College in 1964. He is currently employed by Kwik Check as assistant manager.

For her wedding the bride wore a navy blue and white suit with white accessories and carried white rose buds on a white ribbon.

Miss Laura Lee of Lake Harbor, was maid of honor. She wore a light blue satin sheath and a corsage of white carnations.

William Jones, served as the bridegroom's best man. Mrs. Prescott, mother of the bride wore a white and black suit with white accessories. Mrs. Norris, mother of the bridegroom was attired in a black and white crepe sheath with white accessories. Both wore white carnation corsages.

Present for the wedding were members of the immediate families and close friends.

The couple is presently residing in Belle Glade.

TEACHER, Mrs. Vida Troyer Smith and 6th grade students, Jerry Gatlin and David Pillitter.

Retired Teacher 72, Works At Osceola Under Vista Program

Mrs. Vida Troyer Smith, a teacher seventy-two years of age and with fifty years of teaching experience behind her, is working full time with individual children who are behind in their school work at Osceola Elementary School, Mrs. Smith gives her services through the Volunteers in Service To America.

At the present time Mrs. Smith tutors twenty-five children during the school day. This number will increase with the influx of migrant children, many of whom will miss two or more months of school this year. They will benefit greatly from the individual instruction which she will give them.

Mrs. Smith has had a long and rewarding career in the teaching profession. Her career began in 1915 in Boise, Idaho where she

taught in the primary grades. She held positions in schools in Idaho, Washington, and California during the intervening years. At one period she taught and also served as principal of the school. She holds a B. A. degree from Western Washington College of Education and has attended the College of Idaho and the University of Washington.

Mrs. Smith suffered an injury in 1955 which has made it necessary for her to use a crutch, but which has not dampened her cheerful, optimistic nature nor hampered her in any real way. She points out, "These last nine years I have had to use one crutch, but it has created a friendly closeness between my pupils and myself which I had never experienced before."

Mrs. Smith, who comes from Compton, California,

is a widow with two children and two grandchildren. She is a member of the Congregational Church and while in Belle Glade attends the Methodist Church. She is interested in the theatre, music, and art and has always encouraged creativity in her students. She has written and presented children's plays and operettas. Her hobbies include handicrafts, weaving, sewing and crocheting. She likes to travel and she is taking every opportunity to see as much of Florida as is possible.

Mrs. Smith, when asked what prompted her to become a VISTA volunteer at a time when most people are enjoying the pleasures of retirement, says "Since retiring from school work, I have been working with individuals both young and older who have come to me for help. I realized that many others needed help but could not pay for it. Here is my chance to help these many who want and need help, and I hope I can thus raise their sights to richer, fuller lives."

"The Season People" Film Shown At WSCS Meeting

"What is Being Done to Improve the Migrant Situation in the Glades Area" was the general subject of the program presented at the regular meeting of the Woman's Society of Christian Service held at 10 a. m. at Community Methodist Church.

The Joy Circle presented the program topic "Participation in the War on Poverty which includes a movie on "The Season People". The film was given for showing by the Public Health Service.

Mrs. J. A. Ponder, program chairman for the society, told about the new program books, which she said were "designed to make us take a look at ourselves and what we can do about various situations."

Mrs. Robert Bussey, president, presided and announced the week to call of "Prayer and Self Denial" on October 25 to Oct. 29.

Mrs. George P. Farnall announced the study "Book of Acts" on the subject "Then and Now" to be held November 9, Nov. 11, Nov. 16 and Nov. 18 at the church.

Announcement was also made that the WSCS would serve dinner to a Lake Area Christian Education Workshop at 6:30 p. m. Wednesday, October 13. The District staff will be present for the workshop which is for church school teachers and workers.

Mrs. Bussey told the group the West Palm Beach District of which Belle Glade is a part had the most contest for the most subscriptions to the Methodist Magazine, Mrs. James A. Ball, and Mrs. Tevis Hugely, requested names of the Methodist young people attending college or in service, so the church could keep in touch with them.

Mr. and Mrs. Randolph C. Way, 1300 Bell Mill Road, Chesapeake, Va., have the pleasure of announcing the adoption of a son, Lee Amos, born September 3, Mrs. Amos, Mrs. W. Amos Way, Jr., Belle Glade, Fla. Mr. and Mrs. Oscar R. Winchester, Boynton Beach, Fla.

Speakers Are Available On School Millage Vote

County Superintendent Fulton announces that a Speakers Bureau has been organized for the purpose of furnishing club, groups or organizations principal speakers at a meeting, or for short talks.

The voters are called on to express their "yes" or "no" to the appeal by the School Board for a six-mill addition to the heretofore allowable 3 1/2 mills.

"The purpose of this additional six mills," says Mr. Fulton, "is to take care of the normal growth which the schools have experienced, to upgrade the accreditation programs and for emergencies during the two-year effective limit of the additional six mills."

It is pointed out that the additional six mills will mean to a \$15,000 assessed home an annual tax of \$60, provided it is subject to the \$5,000 homestead exemption.

Figures of the Board show that it costs \$431.29 each annually to educate the 55,000 average attendance in Palm Beach County Schools.

To secure an informed speaker, application should be made to Geoffrey Burt, Public Relations, County School Board, at 301 N. Olive Street, West Palm Beach.

Cadette Troop Has Beach Party

Cadette Troop 281 held its planned beach party on Saturday leaving Jameson Hall at noon and going to Lake Worth Beach. There they had a picnic of fried chicken, baked beans, potato salad and cold drinks with each girl responsible for bringing some item of food.

During the meeting on Tuesday afternoon they learned about lanterns and their use for emergencies such as hurricanes. Mrs. Clarence Kidder and Mrs. M. J. Luce are leaders.

The Troop meets each Tuesday afternoon at 3:30 o'clock at Jameson Hall. Twenty-six girls including seven new members make up the Troop.

At the first meeting of the group the girls discussed and made plans for the years dances and parties. The second week the girls cleaned the kitchen at Jameson Hall as a service project for the Methodist Church, their sponsors.

Winners

Manager Laurence Sullivan of Kwik Chek's Avenue E store, Belle Glade, is showing deliveries to Mary Taylor of 508 Avenue E a check for \$500 won by her and her friend Essie Kennedy of 216 SW Fifth St. in an advertising program by the store.

Each of the winners had a half of a matching certificate which together brought them the \$500.

The \$250 apiece will stock up the pantries, buy some clothes and some other necessities, according to their grinning reply to "What will you do with the money?"

Hundreds At Impressive Rites For Noted Minister's Wife

Hundreds of ministers and lay people from all sections of Florida and other states attended the impressive funeral rites for the late Mrs. Janie Williams, the wife of Rev. O. D. Williams, pastor of Baptist Church, Belle Glade, Tuesday at 1 p. m. in New Bethel.

Long before the hour, citizens and friends of both races filled the church and courtyard, bespeaking of the warm esteem and fellowship and relationship of this community.

The deceased who passed following a heart attack Sept. 27 at her home 601 S. W. 4th St., was one of the most outstanding religious workers in the state, and was noted locally and Nationally for her contribution in the Missionary and Christian Education Circles.

Mrs. Williams was a very active in Civic Affairs and a past matron of the Order of Eastern Star of Prince Hall Masons.

Prominent personalities participating on the program for the occasion of which Rev. J. B. Adams the pastor of St. John First Baptist served as the master of ceremonies and the Rev. Charles B. Bailey of Jacksonville, the pastor of First Baptist Church of that city, delivered the eulogy.

The floral tributes were in profusion and beautiful. Interment was made in Port Mayaca Cemetery at Port Mayaca, Fla., by the Taylor Funeral Home.

Survivors include her husband, Rev. O. D. Williams, Belle Glade, two daughters, Leola McCollough, California and Gethel Davis, Belle Glade.

le Glade, one sister, Lula Hayes, Perrine, Fla.; one brother, Willie Gibson, Douglas, Ga.; six grandchildren.

Rev. Williams is the corresponding secretary of the Progressive Baptist State Convention of Florida, the vice-president of the B. T. U. Department of the state body and the moderator of the Everglades-Kissimmee Valley Association.

Presbyterian Women To Attend Meeting

The 11th annual meeting of the Women of the church, Presbytery of the Everglades Synod of Florida, Presbyterian Church of the United States, will be held Oct. 13 and 14 at First Presbyterian Church, Hollywood, Florida.

The theme of the convention is "God's People, the Church and the World."

On Wednesday, Oct. 13, the Presbyterian Women's Council will have a meeting and dinner. On Thursday, Oct. 14, reports will be heard from various Presbyterian Officers, report of nominating committee, election of officers for 65-66, evaluation of 64-65 work year and a formal look to 65-66.

Installations of officers will be held at the close of the meeting followed by a lunch hour served by the hostess church.

Mrs. Al Harris, president of the Women of the Church, Everglades, Presbyterian Church and two representative persons to attend the sessions.

Mountain Home Opportunity

MOUNTAIN VALLEY FARM - 63 acres with 40 acres excellent pasture - house, barn, springs, fruit trees, at the head of a beautiful small valley with excellent mountain view and plenty of water.

Unusually good protection for a mountain home. One-half to three acre tracts can be sold off as desired or can be immediately subdivided. Less than three miles from Sylva, N. C.

Price \$22,500.00. Terms can be arranged.

We are told there is only one deed of record on this property since the original Spanish Grant. Present owner is a young Dentist raised on a neighboring farm who is opening an office in Franklin, N. C. and needs money to set up his office and buy a home.

Protection is due to this being the last farm up the valley road and just nobody goes up the road without being observed by the critical eye of the best neighbors one could have.

If this land were subdivided there would be practically no waste land and each home would be very close to the main stream which runs the year round.

A Change In View

There's nothing like a new perspective to change your attitude toward life.

When Junior is bored, he simply stands on his head for a new slant at things. The floor flips to the ceiling, with tables and chairs hanging from it, and people walk upside-down. At least that's the way it looks to him.

It is a good idea to gain a different perspective—to step back and get a new slant on things around you. But you don't have to stand on your head to do it.

Instead identify yourself with a church. Take your family and go regularly to worship. You will find a new perspective. Genuine values will keep their importance; unimportant things will diminish. Today's life will be happier; tomorrow's full of hope. Nothing is upside-down, but everything claims its rightful place when you view life with the faith of a Christian.

Church Of Christ Scientist

The spiritual dividing line between reality and illusion will be examined at all Christian Science services this Sunday.

The Golden Text is from Paul's epistle to the Romans: "The law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death."

The subject is "Are Sin, Disease, and Death Real?" Explanatory passages from Science and Health with Key to the Scriptures by Mary Baker Eddy will include this statement: "Neither evil, disease nor death can be spiritual, and the material belief in them is the spiritual growth" (p. 368).

Three Executive Boards Of Sorority Entertained

The three Executive Boards of the local Beta Sigma Phi Chapters were entertained on Wednesday night at the home of Mrs. H. H. Gilbert of Royal Palm Way, with Mrs. Gilbert as hostess and Mrs. Francis Cross, Jr., as co-hostess.

Upon entering the living room area, the group was interested to find three yellow rose buds in individual bud vases symbolizing the three Beta Sigma Phi Chapters of Beta Epsilon Beta Xi and Xi Beta Gamma.

In the dining area of the lively home, California yellow Mums in a pyramid arrangement centered the buffet table which was overlaid with a heavy damask cloth. Sliced turkey and hickory smoked ham were the entrees, and they were accompanied with all the delicious side dishes of vegetables, salads, and hors d'oeuvres that could tempt a palate.

The spacious Florida Room and the Family Room were used for serving, with tables seating eight, and five, and a small hostess table seating the two hostesses. Center pieces of Shasta Daisies and Pom Poms with lighted slender tapers were the focal points.

All the ladies of the three boards were present with

Palm Beach Community Chorus Begins

Singers of this area who are interested in performing great music are invited to join the Palm Beach Community Chorus, now beginning its second year under the direction of Dr. Donald Butterworth of the faculty of Palm Beach Junior College.

Sponsored jointly by the college and the Adult and Veteran Education Department, the chorus is planning an even more ambitious program this year than its first season under Dr. Butterworth's direction.

This year three separate programs are planned, each to be given a number of local performances: Handel's "Messiah," "The Christmas Portion," Bach's "Magnificat," and a program of shorter vocal works. The organization will again be performed with a local orchestra.

The chorus practices Mon. days, 7:30-9:30 p. m., in Room 4 of the Humanities Building at the college. Prospective members may join at the beginning of a rehearsal. A fee of \$3 is charged.

Three students from the Belle Glade area are attending school this year at Howey Academy, an independent, co-educational, college preparatory school at Howey-in-the-Hills, Fla. They are members of the largest student body in Howey Academy history — 270 boarding and day students in grades seven through twelve. Studied shown are: (L. to R.) Billy Rogers, son of Mr. and Mrs. Billy Rogers, Sr. Bary Pateida and Carol McDaniel, daughters of Mr. and Mrs. E. B. McDaniel, Jr., Belle Glade.

STOP HIGHWAY SLAUGHTER!
VOTE FOR 4 LANE
CHANGE THIS
...TO THIS
Two out of three traffic accidents — and nearly three out of four traffic deaths — occur on two-lane roads. Last Memorial Day weekend, 474 Americans died in traffic accidents. All but 12 of these deaths were on two-lane roads. Modern, four-lane highways drastically reduce accident, injury and death rates and result in lower insurance rates. Yet, 43 percent of Florida's primary highway system is classified as "poor" or "critical" by engineers. The \$300 million Highway Improvement Amendment provides the means for constructing 1241 miles of new, four-lane major route improvements. Projects were selected on the basis of traffic volume, safety hazards, condition of present facility, area economic consideration and other efficiency ratings prescribed by the Florida Highway Code. Provision is included for the state to assist counties in buying rights-of-way on a \$0.50 basis. One-third of the rights-of-way has already been purchased. Florida's tremendous traffic growth has outstripped the pay-as-you-build policy. The 1965 Florida legislature voted overwhelmingly in favor of this emergency program. You can ensure Florida of an adequate primary highway system now by voting for Amendment 10 on November 2nd.

WELCOMING NEW SOUTHERN BELL MANAGER Charles D. Leonard (left center) are Rep. Emmett S. Roberts and Dr. John L. Grady (right) who stopped by the telephone office to say goodbye and extend best wishes to Pete McClelland (right center).

Pete McClelland Promoted By Southern Bell

John D. (Pete) McClelland, a seventeen year veteran of service with the Southern Bell Telephone and recently Manager at Belle Glade has been as-

signed to the position of District Marketing Manager in Jacksonville, for a promotion into his preferred specialty.

Charles D. Leonard, also with 17 years service has been transferred from the Miami area where he was District Commercial Supervisor in Coral Gables, to the Managership of the Glades district.

Pete, with previous service in Panama City, Pensacola and Miami before coming to Belle Glade three years ago, reported to his new position Monday, and will carry his family to his new site as soon as living arrangements have been made.

His wife and two children, Jan and Joy will remain in Belle Glade pending news of a Jacksonville home.

Pete is currently President of the Chamber of Commerce and has been active in Rotary. He is a Legionnaire, and an Elk. The McClellands' church affiliations are with the First Baptist of Belle Glade where his wife, June, is President of WMAU.

Mr. Leonard is a graduate of the University of Florida.

His family which includes his wife Artie and three children, Carolyn 14, Charles J. (Denny) 13 and Marsha 11, are affiliated with the Coral Way Methodist

Church of Miami. Mr. Leonard has been active in Rotary in the Perine Club.

Belle Glade Policemen Graduate From Law Enforcement Academy

D. Bill Mathis, Deputy Chief of Police and Edward J. Chislen, Detective Sergeant and Belle Glade Police Department, graduated Oct. 1 from the Florida Law Enforcement Academy, a long with other enforcement officers from throughout Florida, after completing a highly intensified training program which specialized in the investigation of gambling, narcotics, sex, and beverage offenses.

A host of guest instructors, representing the Federal Bureau of Investigation, Internal Revenue Service, Attorney General's Office, State Beverage Department, Federal Alcohol and Tobacco Tax Unit, State Bureau of Narcotics, Federal Bureau of Narcotics, State Department of Education, Board of Regents, and the Orlando Police Department, were featured on the strenuous five-day, ten-hour day program.

The training session was climaxed with a presentation by the Honorable Frank Schaub, State Attorney from Bradenton, who stressed the importance of understanding the courts' rules dealing with the admissibility of evidence in criminal proceedings, and the great need for police officers to continually strive to keep informed as to changes in the laws and interpretations of laws.

The next Academy School will enroll October 10th, and will offer training in the area of conducting crime scene investigations.

NOW! '66 CHEVROLETS

Caprice Custom Coupe

NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

IMPALA

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevilles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevilles in all—and all as new inside as they are outside, headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corsair Sport Coupe

ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

'66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvair, like all the '66 Chevilles, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one. Stay young.

You can't control rain clouds...

...so protect your thirsty crops with electrically-pumped irrigation

The trend is toward increased use of electrically-pumped irrigation because it helps make every acre a bigger profit-maker. Pays off in higher yields and improved quality. Ends drought worries. Aids in uniform germination of seed. Prevents fertilizer burn.

Costs less than ever before to operate... because five major rate reductions in the last 10 years make Sunshine Service electricity the biggest bargain in your budget.

National Anthem And American Flag

Command Respect

It is a duty as well as a privilege of every American citizen to respect the National Anthem and the Stars and Stripes. It should be an honor to stand at attention while the National Anthem is being played and the flag is being raised.

Throughout history men and women have fought for America. The National Anthem was written by Francis Scott Key while he watched courageous Americans die to preserve their country. While the United States was at war, the flag was seen and completed by

Betsy Ross. These people were quick to prove their respect for America and our flag.

The national anthem and the American flag are part of our nation's history; they are the symbols of our liberty. In classrooms, when the pledge of allegiance to the flag is given, students should stand quietly and with respect, as they repeat the pledge with sincerity. When at ball games, everyone should bow his head with reverence when the

prayer is said.

Respect, sincerity, honor, and reverence should be displayed at every event that demands patriotism.

J. V. Game Goes To Forest Hill

The Forest Hill Falcon's J. V. team showed strength on both offense and defense in defeating the Belle Glade J. V.'s 12-0 last Thursday night on the Falcon's field.

The Falcon's broke into the scoring column in both the first and fourth quarters. Belle Glade, although hampered by many penalties, played a good running and passing game.

Interact Comes To Order

Interact, a local and national service organization, met last Thursday for the first time.

Mr. Harold Zumpf, a member of the sponsoring Rotary Club, is the advisor.

The officers for the coming year of activities are as follows: Bill Miller, President; Mike Shiver, Vice President; Tony Latour, Secretary; Carl Wall, Treasurer; and Duane Stokes, Sergeant At Arms.

The citizens of Belle Glade can be looking for many improvements in the community as well as in the county through efforts of the Interact members.

Support The Rams

J. V. CHEERLEADERS support the Rams. How about you? From row — Aggie Gressinger, Pam Whitlock, Cynthia Thibaud, back row — Pat Burkett, Brenda Buckner, and Katharine Smith.

Brahmas Branded By Rams

"Rams Challenge Hornets"

The mighty Rams will challenge the Riviera Hornets tomorrow night on the home field. Last year the Rams won over Riviera. Coach Burke said that it was the best game of the year. The players are confident that they will win this year too.

The decision of whether to take this test was strictly the students' choice. It was necessary that registration for this test be accomplished no later than Friday, September 24. No registration after that time can be considered as the number of tests ordered will be the number registered by that date. A fee of \$1.00 is charged by the company for the test and score materials.

The Belle Glade J. V. Football team will meet the Sturt Tigers tonight for their first home game.

The J. V.'s have been having a little trouble this year, but are expected to come out on top!

Pack the bleachers and support the Rams to victory!!!!

Two weeks ago Riviera played the Palm Beach Wildcats, but lost after a fierce battle. The Hornets were won over Riviera. Coach Burke said that it was the best game of the year. The players are confident that they will win this year too.

Scotie Markham commented, "They're going to be tough, but I feel that we're good enough to beat them."

Rams To Host Tigers

The Belle Glade J. V. Football team will meet the Sturt Tigers tonight for their first home game.

The J. V.'s have been having a little trouble this year, but are expected to come out on top!

Pack the bleachers and support the Rams to victory!!!!

F. T. A. Selects Co-Sponsor

Mr. Ronald Whitehead was selected by the Future Teachers to co-sponsor the year with Mrs. Stevenson. Seventeen members attended the first meeting of the year at Mrs. Stevenson's house.

Plans for attending the district convention in Forest Hill, Thursday, October 7 were made. The purpose of this meeting is to approve a county Constitution proposed by Forest Hill F. T. A.

The members who want to go will be excused from 6 period to travel by car to Forest Hill.

F. T. A. meets on the 1st Tuesday of every month.

Student Council Makes Decisions

The Student Council met last Thursday to discuss and make decisions about several issues important to all students.

PLAQUES, FLAGS TO BE DISPLAYED.

First on the Council's agenda was the empty display cases. It will be the responsibility of the Student Council to display the plaque awarded to the Junior Class of '65, the Cuban Flag, and other student-interest displays. Later, different departments of clubs will exhibit the works of talented students.

GUEST LIMITED IN RESERVED SECTION

Under discussion also was the students' reserved section for the football games. A rule was made that only students of Belle Glade High School and their guests will be allowed to

sit in this area. Each student will be allowed no more than two guests. Since the Student Council is sponsoring this section, representatives will supervise at each game.

FOOTBALL BOYS ADMITTED FREE TO DANCES

All students, with the exception of football players, will be charged admission to the school-sponsored dances following the games. If a football player brings a date, he will be charged for his date's admission.

BOOK-SHELVES FOR GIRLS POSTPONED

Among the projects discussed was putting bookshelves in the girls' restrooms. Concrete reasons were presented in favor of the shelves, but a final decision was postponed.

FHA Gives Tea

A get-acquainted tea and tour of the Home-Economics lab were the highlights of the September 27 Future Homemakers meeting.

The tea was held from 7:30 to 9:30 and attended by 54 new and old members and their mothers.

New members and their mothers were introduced to officers Sherri Burgess, Karen Dexter, Sharon Wall, Barbara Dexter, and the sponsor, Mrs. Littlefield in the receiving line.

The mothers were then guided through the Home-Ec department. They visited each of the four rooms: sewing lab, living room, kitchen, and utility room.

New Jerseys, Skirts Arrive

The Varsity cheerleaders are cheering in new blue skirts with box pleats and gold insets in the pleats. They have gold vest sweaters to complete the uniform.

The Rams are also sporting new outfits. Their new jerseys are gold with blue numbers and the word "Rams" printed across the backs.

Gossiping Gandy

It has been said that blondes have more fun. Is this true, Dee Dee M.?

Mickey M., which hurts my eye, your head or your arm?

Seniors really enjoy their lunch passes! Especially Linda H., Jane W., Karen H., Millie K., Libby W., Mary Kate F., and Pat V. Fried chicken, anyone?

Tony L. was the fake pass to John Lee H. during the Forest Hill game planned?

The tennis team is really going to be super this year. Don't you agree Linda R., Alison C., and Cary B.?

Lura L. received an important phone call Sunday night! I bet, tak.

The woods really seemed to be taking in a certain group last night! How about this, Boys?

Richard V. L. is it true that he is growing thumbs on your hands?

Barbara W. is falling off rails easy or does it take real?

Teachers go fishing too, even in the rain. What about this, LaFlam and Mrs. Lanier?

Hey, students, how do ya'll like that Rams head on the press box?!!

Terry L. how is Indian Mound's football team doing?

Mary Leigh A. how do you explain all of those scratches on your leg? Were you running to or from someone?!!

Who put the pep in the pep assembly? It's really GREAT!!

Jackie B. who have you been seen with lately? Could it be Scottie M.?

Junie H. would rather fight than switch. Tolls us how you got that black Junie!

After a teacher's students to get stay quiet, Johnny ed if he could break reply to "No!" to Mrs. LaFlam?

Adjustments in the schedules are:

Conference Day, October 8 will be eliminated.

End of second month, change from October 26 to Oct. 27.

End of third month, change from November 24 to November 29.

End of fourth month, change from January 7 to January 16.

End of first semester, change from January 21 to January 24.

Ram-Page Introduces "65-66" Co-Editors

Elected last week by the Journalism class to be the '65-66 Co-Editors of the Ram-Page are Joyce Kirshman and Brenda Bass.

In order for these novices to be familiarized with their new duties, Mrs. LaFlam and the girls visited the Belle Glade Herald Office, September 20. Arriving at 5:00 p. m., they remained for almost 2 1/2 hours while Mrs. Mathewson, assistant editor of the Belle Glade Herald, demonstrated some

of the basic fundamentals and techniques used in preparing the copy for the press.

The editions of the Ram-Page since the September 16 issue have been laid out and made ready for the press by Brenda and Joyce, who will assume these responsibilities throughout the year.

Although much tedious work will be required to fulfill their duties, they are meeting the challenge with eagerness.

WE ARE GATHERED HERE TONIGHT TO HONOR OUR GREAT QUARTERBACK, ED BEVING. UNFORTUNATELY ED FLUNKED THREE SUBJECTS THIS WEEK.

What's in a Name?

Names are pretty important. Imagine how upset the housewife would be if she discovered that her favorite supermarket had eliminated all brand names from merchandise and labeled merchandise as "salt", "sugar", "tea", and so on. After she recovered from shock, the shopper would take off elsewhere to do the family marketing.

Most of us come to identify a manufacturer or a producer as dependable or unreliable, according to our personal experiences with their individual products. We generally concede that a

company which has been in business for many years is quite reliable.

Did you ever consider that the merchants in this community, since tomorrow's business must come from the folks they are doing business with today, are more than casually aware of the importance of reliability and satisfied customers?

If, for some reason, you've forgotten how pleasant — and how profitable — it is to shop locally, take our advice. Give it a try, now. You'll always be glad you did.

Rep. Roberts Speaks With Teachers

Representative Emmett Roberts will participate in a Clinic discussion on Teachers' influence in winning elections sponsored by the Classroom Teachers and the Citizenship Committee of the NEA meeting in Tampa, Friday, Oct. 8 at the International Inn. Three other platform associates in the discussion will be the next Speaker of the House, Representative George Stone of Escambia County, Bob Mann, Chairman of the Education Committee of the House the last session, and Fred Karl, an unsuccessful candidate for Governor recently.

Farm Bureau Meets Tues. At Canal Point

The Everglades Farm Bureau will meet Tuesday, October 12th, at the Canal Point Community Center at 7 p. m. with a barbecue furnished, and members bringing a covered dish. Bob Fryer, County Agent will be the guest speaker, and Sheriff Kellenberger is expected to attend.

Belle Glade Notes

Mr. and Mrs. Edward F. Allen were guests during the weekend of their son and family, the Bill Beards in Tampa.

Elder and Mrs. F. R. Wilkinson from Idaho Falls, Idaho were guests the early part of the week of Mr. and Mrs. O'Neal Walker in South Bay. They are in Madison, Florida.

Annual PTA Carnival Committee Plans

Carnival Chairman Lee Croward met with PTA President W. L. Cunningham, Gove Carnival Chairman Bill Bailey, and Principal Carl Crawford to determine and outline a policy for the conduct of the Annual Carnival this year. It was decided that all carnival equipment, such as booths, wiring, tables, etc. which were previously used by Belle Glade Elementary will be the joint property of BG Elementary and Gove Elementary PTAs. This is to make it unnecessary for Gove to purchase equipment from the Belle Glade Elementary PTA. The net proceeds will be divided pro-rata, based on membership of each of the two schools' PTA at the end of the month just preceding the carnival. Donation to the Royal Palm School will be determined before any division between the

two elementary schools. A suggested barbecue is being considered by the joint group as one of the night's features.

It was announced that Jim Graham, Realtor had offered to conduct an auction as a part of the carnival, and Mrs. Lydia Dunbar proposed such an event, as part of the Carnival.

The Committee agrees that it will need lots of help, as it has always enjoyed, and is asking volunteers to contact any member of the above Committee.

A meeting has been called for Tuesday night, October 12th at 4 p. m. in the office of the Everglades Federal Savings and Loan Association.

The Chairman announced that all civic clubs are invited to have a member present at the Tuesday afternoon meeting.

Light Bulb Sale Wed. Nite By Lions

Wednesday night, October 13 at 5:30 seven teams of from three to five Lions each will cover Belle Glade roaring and selling light bulbs for the Belle Glade Lions' project for the Blind.

The city is divided into areas, and at eight o'clock Mr. and Mrs. J. K. Baker have recently returned from a two weeks vacation. They visited Mrs. Baker's sisters in Hinesville, Ga., and went on to Kingstree, S. C., to visit Mr. Baker's family. While there a family reunion including 2 sisters and five brothers was held. It was the first time in 45 years, all of the remaining family had been together, and the Bakers reported a wonderful time.

Mrs. Alyce Huebner spent the weekend with her daughter and son-in-law, Carol and Ralph Prescott in South Miami.

Mrs. Lillie Mae Cook has returned from a 10 day visit with relatives in Atlanta, Ga.

Mrs. Peggy Leibovitz of St. Petersburg was a week end guest of Mr. and Mrs. Earl York.

Mrs. Sanford Abowd of Immokalee spent Saturday night and Sunday morning with her parents, Mr. and Mrs. Barney Collier, and picked up some pictures and other items while here.

Mr. and Mrs. Russell E. Tucker returned last week from a vacation in Indiana. While there they visited Mrs. Tucker's parents, Mr. and Mrs. Wm. F. Terrell and her brother and family, Mr. and Mrs. James L. Terrell in Bloomfield, Indiana, and friends in Indianapolis, Indiana. They also visited their daughter and son-in-law, Mr. and Mrs. Thayer M. Marts in Tallahassee. Mrs. Marts accompanied her parents to Indiana to visit her grandparents.

Aid Whitlock Attacks Properly

'Learn By Doing' Teaches Technique

"Outgoing" waste paper baskets, receptacles, beds, and even bed clothing in the patient under the spread, were among the demonstrations of Lieut. Robt. McGrath to more than 30 persons, nurses hospital employees, firemen, policemen and other interested persons at the Civic Center Thursday.

"Learn by doing" and regular drills was emphasized by the retired fireman who makes an avocation of his work with hospitals throughout the country. "Keep calm and do those things which you know are effective" says the Lieutenant, "and little fires will be kept little in many, many cases."

Team work among nurses, employees and firemen was stressed by the lecturer, and DEMONSTRATOR, for he kept the audience impressed by choosing assistants from among them.

The Lieutenant has a sense of humor and a "line" of chatter that drives home the points he makes effectively.

Using newspapers, towels, blankets, sheets, or whatever is handy to SMOTHER small fires, and even larger pieces of bed or personal

clothing for larger fires were the basis of the instruction.

The removal of the patients from a building in the most efficient manner physically, the thoughtful and deliberate dispatch with which the work is done were stressed in further demonstrations.

Among the "don'ts" emphasized is the one "never run down the hall" to a fire; others, including patients are prone to "take cut after you." "Be prompt, deliberate and THINK — don't panic" is the advice of an experienced professional.

The list of hospitals and other institutions at which the Lieutenant has given and is scheduled to give demonstrations and lectures reach from Maine to Minnesota, to Louisiana and Florida.

He is an author of a book "Emergency Removal of Patients and First-Aid Fire-fighting in Hospitals," for the National Safety Council. There is a treatise on Nursing Home Fire Defense now at the publishers, and he has directed a film on Emergency Removal of Patients for Abbott Laboratories.

Children And Fire

Very few parents would allow their children to play on the edge of a busy street. But many otherwise responsible parents overlook a hazard just as threatening — leaving small children at home alone while they go on a brief errand to a nearby store or to a next-door neighbor's.

All too often, these few moments are all that fire needs to do its deadly work. The shocking fact is that one-third of all child fire victims were alone and unprotected when fire struck, National Fire Protection Association studies show.

If you would protect your children from fire at home and at play, follow these precautions:

- Never, under any circumstances, leave small children alone.
- Make sure baby sitters have specific instructions to follow in case of fire. These include orders to get the children out of the house the instant smoke or gas is noted, directions for at least two escape routes from every room, and the way to get in touch with the fire department, parents, doctor and police.

- Keep young children — two and under — in constant sight and mind.
- Teach older children how to use and respect fire. They learn best by your example.
- Keep your home free of fire hazards through regular check-ups. The fire department will help in this.
- Train children of all ages to get out of the house to safety in case of fire. Have at least two escape routes from every room, and be sure the children know these routes by heart.

Extinguishers And Alarms

Don't get stuck with a substandard "beer can" extinguisher or an unreliable home fire alarm system.

Depending on such gadgets actually may put your home in greater danger from fire, says the National Fire Protection Association.

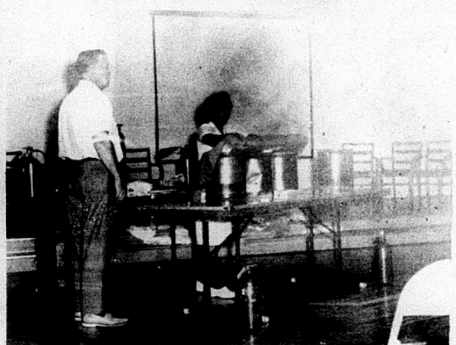

The cheap extinguishers come in several cans and small, shake-type plastic containers, holding a liquid or a powder. They are dangerous principally because their reliability is uncertain and their range of effectiveness is too limited. If you depend on such devices and the fire gets out of control, you may actually be risking your life.

Unreliable substandard home fire alarm systems are another item the National Fire Protection Association warns about.

Bobcats Have Winning Streak

The mighty Bobcats started the football season off with a winning streak of three consecutive victories. The first victory of the season against the Tigers of Fort Myers, 26-6, on their home field. The scorers in the game were Jimmie Webb, Charles Daniels, and James Freeman, who scored two touchdowns, one for 35 yards and one for 65 yards.

The Bobcats came back again with that Old Lake Shore Spirit and defeated the Thunderbolts of North Dade in a clashing victory of 27-0. The scorers in the game were Joe Sheely, Daniel Parrish, and Henry B. Tucker, for a 44 yard touchdown.

The Bobcats returned again the third time fighting for a conference game win. This game was against the mighty Maroon Devils of Palm Beach. The Bobcats defeated their challengers this time, a whopping 19-7. The scorers were: Charles Daniels, Thomas McGrawdy, Joe Sheely, and Ronald Cook for an extra point.

James Freeman was top man in gaining yards for the Bobcats. He gained a total of 78 yards. Joe Sheely second top man with a total of 52 yards. As the Bobcats played each game, the enthusiastic fans cheered. The Bobcats on to victory with numerous yells.

Principal's Message

As principal I would like to welcome all new faculty and staff members and each new student to the Lake Shore Junior-Senior High School.

Here at Lake Shore, the administrative staff and faculty endeavor to provide learning and seek to develop boys and girls who will use their knowledge, energy, and skill for useful objectives.

One of the fine evidences of student accomplishments during my years at Lake Shore High was the weekly edition of the Bobcat Page produced by the students during the last school term.

The Bobcat Page stands not only as a memento of school days, but symbolizes the ability to work and achieve.

With the aid of the numerous and varied ideas and abilities that have joined us this school term, additional plant facilities, and a hospital successful Southern Association School Evaluation, we are looking forward to a most prosperous and advantageous school year.

Charles McCurdy, Principal

Assistant Principal's Message

You have an excellent group of new teachers. You have a winning football team. You received textbooks the first week of school. You are not compelled to go to the lunchroom. You are data processed.

School time is a nice time—it's really fun to learn, learning new facts, learning to think better and acquiring knowledge that will enable you to become better adult citizens. Education is important to each of us.

As students, today, you are in a position to become better educated and better trained than students of yesterday. The coming era will be highly automated and data processed. There will be a little need for the poorly trained and uneducated adult. Stay in school, keep learning and you will find yourself becoming better prepared to meet problems in the adult world.

Oris Walker, Assistant Principal

"The Power Of Language"

Language is very important to each of us in our daily lives because it enables us to communicate with the people around us. Language makes it possible for us to express ourselves properly and intelligently at all times and this is very important, because without this means of conveying our thoughts, our existence would be meaningless.

Our mother tongue is improved or downgraded by the way each generative uses it. These are only a few of the most important reasons why one should strive to gain some mastery of language.

Language can be as interesting as it is rewarding. It holds many opportunities for us to meet and associate with people of other countries. Language is the key to all communication, and communication is the key to life itself.

The Student Council President Speaks

Again this year, students have returned to our institution of learning. We, the members of Lake Shore High, have come a long way, but still have farther to go in our quest for a better well-rounded education.

Therefore, as Student Council President, I will endeavor, at all times, to seek more steps in helping any student in every way possible, and try to prove that there is no limit to the contributions that students can make in improving the quality of their education.

Although the Student Council of this year has not had its first General Assembly Meeting, we have been eagerly at work. My administrative staff will work diligently to improve the learning environment for our student body. We have made plans to help in certain phases of learning. These areas will include: improvement of scholarship, achievement, attitudes, extracurricular faculty relationship, school services, and school social affairs.

DCT Program Is Organized

DCT (Diversified Cooperative Training) is a flexible plan for training high school juniors and seniors, sixteen years of age or older in occupations of their choice. The purpose of this organization is to meet the specific needs of students and the community by providing some effective form of jobs training for certain high school students. Some form of Vocational Training is needed in the regular high school program.

Since the majority of the young people do not receive further formal education after graduation. The students in this program are expected to show satisfactory evidence that they are dependable, honest, willing to work, and interested in this type of training because of the opportunities offered to learn and advance in a chosen occupation. They must also show that they are physically fit and mentally able to advance in the occupation selected.

To be eligible for DCT, the students must be at least 16 years of age; must be a junior or a senior in high school; must have at least ten high school credits; and must display a definite desire to learn a trade or an occupation with a view toward using his training for practical purposes.

Students were placed according to their interest on the following jobs: Wee Center, Glades General Hospital, Progressive Finance, Royals Department Store, New and Old Kwik Check Stores, Glades Chevrolet Company and Watson Ford Company.

FOR AND ABOUT TEENAGERS

by C. D. Smith

He's 'Lost' When No Girl Is Around

THIS WEEK'S LETTER: I am having a problem with girls. No matter what girl I go out with, my parents interfere. Either the girl is too young for me, or she is too old, so I can't really go with any girl and have things turn out O.K. For example, last year I went out with a girl who was only 15 years old and my parents broke us up because she was too young. I was only 16

I still have trouble with my parents. Do you think it is wrong for a boy to go out with an older girl?

OUR REPLY: Teenagers should stay within their own group. A fifteen-year-old girl has no more business dating boys who are 16 and 17 than a 15-year-old boy has dating older girls. When you leave the teen ages, a couple of years difference is unimportant. Your parents are obligated to know who you date and they are right wanting you to date girls your own age — not younger ones, nor older ones.

If you consider your parents' interest in your dates as a "problem," you will have this problem for some time yet. So relax, and don't feel that you have to have a date every day. There are other things in life.

If you have a teenage problem you want to discuss, or an interesting story, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND BUSINESS PRESS SERVICE, P.O. BOX 17, PORT KY.

The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous Broughams and 4 Venturas. And, of course, for you

other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-

quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**
